## 2020 Education Grant Application

The purpose of the IAATE Education Grant is to provide financial support to members developing or enhancing programming to achieve their avian education or conservation goals.

Proposal evaluation includes:

- Measurable outcomes:
  - Impact – the degree that your project contributes to avian education, including conservation messaging and facilitation of environmental literacy
  - Benefit to cost – is this an efficient use of funds?
  - Practicality & Sustainability – will this project accomplish the intended outcomes now and into the future
- Extent of involvement of IAATE member

**Successful applicants will be required to provide a written report for the IAATE website and *The Flyer* within the grant year.** In addition, grantees are encouraged to provide a five-minute project report at the annual conference, if attending.
