International Association of  
Avian Trainers and Educators

## Walter Crawford Memorial Conference Attendance Scholarship Application

### **A. Professional Development Committee Mission Statement**

The IAATE Professional Development Committee will provide a strong foundation for avian professionals to gain information and improve management and training of their birds to better present inspirational education programs.

### **B. Awards**

IAATE will award funds to eligible IAATE members. Funding for this scholarship is raised from the workshops put on at previous annual conferences. This scholarship fund is limited and will be awarded to only applicants who meet eligibility requirements. The recipient(s) of this scholarship will be determined by the IAATE Professional Development Committee.

### **C. Minimum Eligibility Requirements**

In order to be eligible for consideration, those applying for the IAATE Scholarship must:

- Be a current IAATE Member.
- Complete and submit this application by Dec 31 of the year preceding the conference you wish to attend, along with a short paragraph essay, on why you, or the person you are nominating deserves this scholarship to attend IAATE's annual conference. Essays must be submitted as a Microsoft Word document.

### **D. How to Apply**

- Read this application thoroughly and complete the required information below.
- Submit this completed scholarship application and essay to the IAATE Professional Development Committee via e-mail by the deadline.
