

I.A.A.T.E 2022

-30 years of soaring to new heights-

March 9-12, 2022
Hosted by IAATE

All times are listed Central Standard Time, please adjust accordingly for your local time zone.

2022 Virtual Conference Schedule

Virtual attendees should have received TWO Zoom links. The first one is for the livestream broadcast of the sessions happening at our conference in Nebraska. The second link is the one you will use to access the “virtual extras” - activities that fall into this category are listed in **BOLD** text on the schedule.

Wednesday, March 9
