International Association of Avian Trainers and Educators

Education Grant Application

The purpose of the IAATE Education Grant is to provide financial support to members to develop or enhance programming that achieves their avian education or conservation goals.

Proposal evaluation includes:

- Project summary
- Outcomes (time bound and measurable):
 - Impact – the degree that your project contributes to avian education, including conservation messaging and facilitation of environmental literacy
 - Benefit to cost – is this an efficient use of funds?
 - Practicality & Sustainability – will this project accomplish the intended outcomes now and into the future
- Extent of involvement of IAATE member

Successful applicants will be required to provide a written report for the IAATE website and *The Flyer* within the grant year. In addition, grantees are encouraged to provide a five-minute project report at the annual conference, if attending.

Applications must be received by January 10th of the application year. **Late applications are not accepted.** Attendance at the Annual Conference is not required, but encouraged.
