International Association of Avian Trainers and Educators

Education Grant Application

The goal of the IAATE Education Grant is to support member participation in avian education programs that take place in zoos and other avian facilities.

Proposals will be evaluated on:
- The project's impact on avian education, conservation, and the impact on the avian training and education profession.
- Extent of involvement of IAATE member.
- Stated ability to measure the project's success.
- Sustainability of project.
- Supporting documentation.

Successful applicants will be required to provide a written report for the IAATE website and *The Flyer* within the grant year. In addition, grantees may be asked to provide a five-minute project report at the annual conference if attending.
